PART ONE

About RAQAM

ABOUT US

RAQAM International is a leading manufacturer in flexographic shrink sleeve & label industry.

HISTORY

RAQAM International Labels & Ribbons Factory is 100% Foreign Investment factory established in May 2003 under Saudi Arabian General Investment Authority (SAGIA). Our production plant is based in Riyadh with Sales Offices in Riyadh, Jeddah, Qaseem and Dammam.

GREEN POLICY

Working to go beyond "Manufacturing in harmony with Nature" by reducing chemical waste and utilizing water based printing solutions included but NOT limited to water soluble printing plates and inks.

VISION & GOALS

For keeping sustainable growth of the company, we providing a safe, high standard work environment, team work, professionalism by demonstrating a carrying attitude towards employees. Our goal is to provide innovative & affordable labeling solution to our customers in timely and professional manners.

OUR VALUES

- Commitment
- Quality
- Customer's Interest
- Responsibility
- Professionalism
- Care

MARKET COMPETITION POLICY

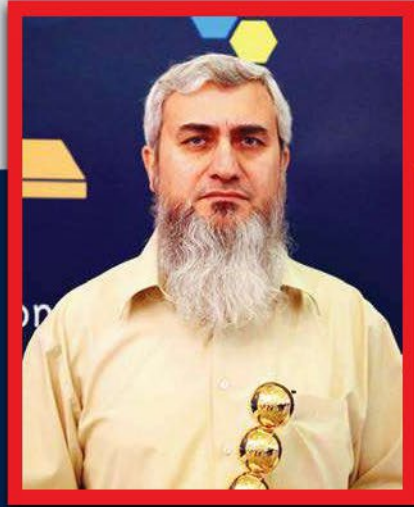

At the time when competing others, People sometime lose the actual goal and trying to just achieve the goal by any means. Therefore, we are totally against such kind of race. As our Prophet said: english translation: "When it comes to worldly affairs take it easy and be calm but when it come to the Hereafter compete one another on doing good deeds and race each other towards the forgiveness of your Lord and his Paradise".

PART TWO

AWARDS

AWARDS

PART FOUR

PRODUCT RANGE & SERVICES

PRODUCT RANGE & SERVICES

Our specialty is customization to ensure your product is attractive and outstanding.

Innovative Designing & Popular Label Materials For Juice Products

Clear labels on Juice & Beverages always blend into the container, giving an elegant “no label” look.

Adding pattern foil will make product premium and RAQAM design team can help for selecting the holographic patterned foil that looks like its shimmering when light hits.

While drum screen printing is plus.

JUICE & BEVERAGES LABELS

Whether your juice will sit on store shelves or chill in refrigerators, your custom juice labels need to look good in different environments to attract customers. We've been printing labels for the beverage market for over 15th years and have built our processes to meet FSMS & other standards for quality.

B.O.P.P LABELS

RAQAM is one of the leading flexible packaging converter having ability to print all type of materials including BOPP, PE, PP, PVC, Metallized and all range of wrap arounds, IML, Cut & Stacks etc.

SHRINK SLEEVES

High quality PETG/PVC Shrink Sleeve material up to 70% shrink ability, bright colors, soft and smooth touch feeling.

Shrink sleeve labels are a durable product that combines 360-degree artwork with materials that are suitable for products that encounter moisture and friction.

PERSONAL CARE PRODUCTS LABELS

Cosmetics, Perfumes and Personal care products need a lot of variations. One body lotion alone can be available in dozens of different scents, in a wide array of bottles, tubs, tubes and more. RAQAM can provide beautiful labels with special effects on suitable materials.

DETERGENT LABELS

When choosing the right label for your detergent or liquid soap products, it's important to get a label material that will stand up to exposure to the product. The label is going to get wet and abused. RAQAM can help you decide on the right materials that will look great and yet be durable to take harsh treatment of repeated soakings and squeezing.

PHARMACY LABELS

Medical labels included pharmacy labels, medical record, inpatient, outpatient, patient wrist bands, bio-hazard and lab equipment labels has been our product line for more than thirteen years.

JEWELLERY LABELS

Jewellery labels, as complex as the Jewellery design itself our band label does not diminish the beauty of the gem but rather it's beautiful design blends in with the Jewellery.

BAND ROLLS

Band labels a complex and challenging product used on smallest printer area can be printed with up to twelve colors combination.

CUT & STACKS

Wet glue paper or plastic cut and stack (glue applied) labels are economical and familiar choice for branding all kinds of products in bottles, jars and cans. They hold up to the challenge of cost-effective, high-volume production and are widely used on: Food and beverage products, Household products, Petrochemicals and paint products.

INMOLD LABELS

In-mould labelling is the use of paper or plastic labels during the manufacturing of containers by blow molding, injection molding, or thermoforming processes. In-mould labelling is a popular method of decorating injection molded parts for consumer electronics and for plastic bottles.

RIBBONS

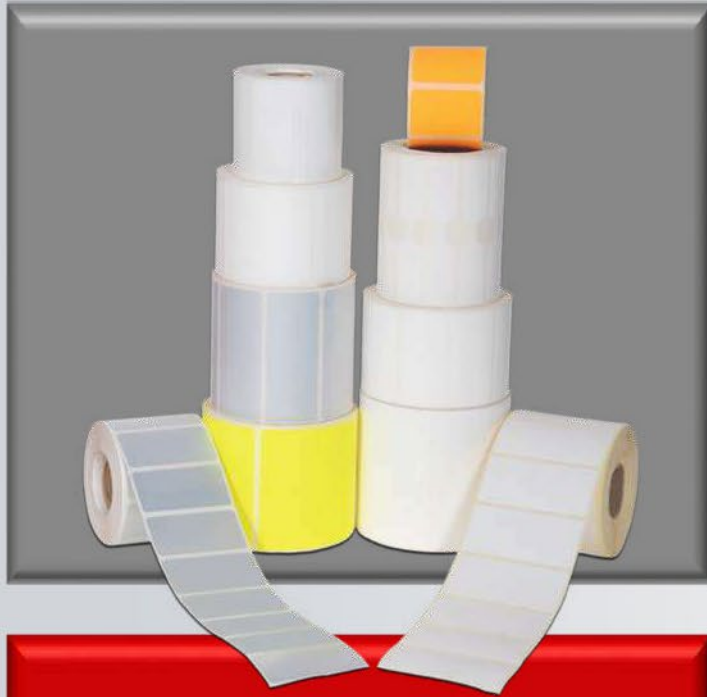

CASHIER ROLLS

RAQAM International has great Quality WAX, RESIN single and multi-color combination. Tested and proven to withstand the test of time and environment. Cash register rolls available in standard size or cut per customer requirement in materials regular - single or double layered paper. We also produce special material cashier rolls thermal or non-thermal.

UNPRINTED LABELS

Blank Labels customized in shape and dimensions as per customer requirement.

PRICE LABELS

Available in a range of different colors with a peelable or permanent adhesive we are able to customize pricing gun labels to advertise your specific business or promotions in 1-2 or 3 line price marking labels & machines.

LASER LABELS

Printed or unprinted Laser and Barcode labels available in A4 sheet or in roll form.

PROMOTIONAL LABELS

PVC SEALING TAPES

PACKING TAPES

RAQAM International Promotional labels are offered for verity of industry. Special price offers, sales items, etc. to attract customers attention on price reduced products of their interest. We always welcome new ideas.

Sealing BOPP / OPP / PVC tape for product expiration date are available in various colors and width.

Packing BOPP / OPP / PVC tape for promotion & packing are available in more than 10 colors as per customised designs and width.

PART FIVE

PIONEER IN BRANDING & INNOVATION

NESTLE KIDS WATER BOTTLES (SHRINK SLEEVES)

Water bottles sleeves for kids produced for Nestle, was a creative project which we finalized in 3D design for exact text & barcode reading after the shrinking of material.

OJEN WATER (PREMIUM LABELS)

Ojen water labels were produced with unique ideas different foils for Premium look for customer's attraction.

INNOVATIVE BRAND PROTECTION CAPABILITIES

"SHORT RUNS & MULTIPLE VARIATIONS ALWAYS WELCOME"

Shrink-wrapped sleeves are suitable for all types of container shapes and sizes, making this branding option extremely flexible and well-suited to companies that produce products that deviate from traditional styling.

RAQAM International is producing the Shrink Sleeves with flexographic printing techniques, vibrant colors, bold designs, and a variety of unique artwork additions such as screen printed **raised varnish**, **metabolized foils**, and **holographic foils**. RAQAM produces high-end shrink sleeve labels that combine unique details and high-quality materials together to make for a truly attractive product.

SUGAR PACKETS/SACHETS

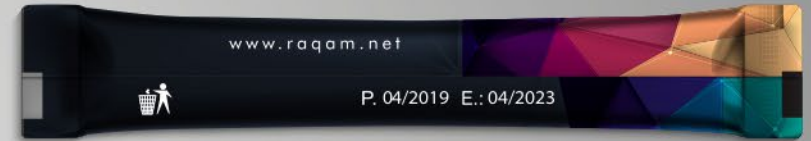

SUGAR PACKETS WITH HOLOGRAPHIC EFFECTS

WE CAN PRINT, FILL & DELIVER

Single-serve individual sugar packets are great for restaurants, offices, coffee shops, break rooms, colleges, food trucks, festivals, fairs and more..

We are making sugar packets with special effects and more than 12 colors combination.

ALU TYRE LABELS

PET WHITE / ALU SELF-ADHESIVE (TYRE LABEL)

This Material has an aluminium barrier to avoid migration from the product.

These labels you can use on tyres, rubbers & irregular surface.

5.5

CONCRETE LABEL

PP MATT HIGH ADHESION (CONCRETE LABEL)

This material will ensure an optimum adhesion for more than one year on a freshly set concrete beam, even being wet and dusty.

it's very suitable for wet, dusty & irregular surfaces.

Extra weight of high tack adhesive.

METAL LABELS

3 LAYERS LAMINATE SELF-ADHESIVE (STEEL LABEL)

This material is specially for metal & aluminium products.

These labels can be used for H Profiles, light & heavy duty shelving profiles, profiles for doors and windows & profiles for fixing systems.

these labels are very suitable for high temperature (It holds up to 250°C).

TEXTILE SATIN LABELS

POLYESTER HEAT TRANSFER & SELF-ADHESIVE (SATIN LABEL)

These polyester satin heat transfer & self-adhesive materials are specially for mattress & carpet labels.

if you are looking for unconventional labels, these materials will give you an original design to your label.

INKLESS CODING & MARKING (LASER PRINTING SYSTEM)

These labels are inkless and will be printed with a beam light - a laser - to write onto a coated substrate at high speed, low cost, and excellent quality.

There is no solvent taint, no mess, no line downtime & no waste.
